

## **Premium Exhibit Space**

### **Main Floor HDTV Lounge**

Blending modern design, with classic elegance and centrally located on the main floor, the lounge will immerse your company directly in the show. The lounge features oversized seating, cocktail tables and a 50 inch HDTV to showcase your company. The lounge is positioned as the focal point of the Expo.

\$1000

### **Screening Room**

The private screening room, with large format projection TV, state of the art surround sound and leather recline club seating for 22 is the ideal space to captivate & comfortably invite expo attendees to experience your product, services or procedures

\$1000

### **Internet Lounge**

The internet lounge, positioned directly as you enter the main space, allows your company to showcase products or services on seven state of the art, flat screen, computer monitors via live internet or an uploaded presentation. A alternative opportunity could feature internet access for show attendees, sponsored by your company.

\$1000

### **Conference Room**

Four conference rooms are available as semi-private exhibit spaces. The rooms feature modern furnishings, executive seating and internet access. The glass walled rooms are located directly along the main expo space and provide high visibility with intimate attendee interaction.

\$500

### **Media Room**

There are two media rooms, each featuring a high definition TV, leather, recliner club seating for 10, X-Box and privacy just off the main club house space.

\$500

Premium exhibit space will be offered on a first come bases.
